Dear Prithwish Ray Chaudhuri,

Congratulations! I am pleased to inform you of your admission to Arizona State University to study in the Robotics and Autonomous Systems (Electrical Engineering) (MS) program in the Ira A. Fulton Schools of Engineering, offered at the ASU Tempe campus for the 2025 fall semester.

Important: For detailed information regarding I-20 requirements, including necessary forms and deadlines, go to the International Admission Services website at admission.asu.edu/international/student-visa. To monitor the progress of your I-20, view the I-20 Tracker in My ASU at my.asu.edu.

Proof of MMR immunization is required. For MMR immunization requirements, please refer to your **Priority Tasks** on My ASU.

To maximize the many resources available to you, please familiarize yourself with My ASU, your personalized online student information and services resource. You can access this page at my.asu.edu by logging in with your new ASURITE User ID and password.

ASU and the Robotics and Autonomous Systems (Electrical Engineering) (MS) program are committed to assisting you in your exploration of the immense resources and opportunities available to you here. For additional information, you may contact your department at AskEE@asu.edu or at 480-965-3424.

ASU embraces integrity in all scholarships, research and creative endeavors. It is our expectation that you will review and abide by ASU's policies related to academic and research integrity at provost.asu.edu/academicintegrity and researchintegrity.asu.edu.

As a New American University, ASU believes your education should be transformative not only for you, but also for society. I encourage you to learn more about what this means to you by visiting newamericanuniversity.asu.edu. I also recommend you visit yourfuture.asu.edu/golden-conversations to learn how current students describe being part of the ASU community.

We look forward to you joining the ASU community, and I wish you success in your graduate studies here.

Sincerely,
